

MERRY CHRISTMAS!

Best wishes from Giulia!

An angel to averone expect Christmas

A snowman is the central focus, constructed from three snowballs. It has a carrot nose, a smiling mouth, and two twig arms. The snowman stands on a mound of snow. The background is a deep blue with numerous out-of-focus golden lights, creating a bokeh effect. The text 'Joyeux Noël' is written in a pink, sans-serif font across the middle of the image.
